

RHYTHM IN THE BLUES

A suite of abstract oil paintings by Israeli-born American artist **Naomie Kremer**, with their jagged, geometric forms, create a disorienting perceptual experience, an ambiguous atmosphere inviting the viewer to get lost and allow new, free associations to form in the mind. Although largely abstract, Kremer's imagery draws from the real world, incorporating references to nature, architecture, language, letterforms and the human figure. Her work is informed by art history, music, poetry and literature.
